Follow the instructions and pay the deposit directly.

Hope that you'll get a key card.

## PLEASE BE AWARE:

For a long time we have fought to ensure that there are more workspaces with longer opening hours for all of us. The conditions under which the key cards are given to us and the situation in the Campus Tower are not ideal. Nevertheless, we all have to **set a signal together now**: We have to show that we need the work spaces **while using them**. We have to show that the work spaces are ours **by appropriating them**.
